DISCUSSION PLATFORMS

Dear colleagues!

We are happy to welcome researchers, business practitioners, representatives of state and local authorities, members of social organizations and other stakeholders to participate in the **Third International Scientific and Practical congress “Intellectual Economy under Conditions of Social Transformation: Prospects of Public-private Partnerships”**.

The aim of the event is solicitation of the contributions on the most recent findings and innovative ideas related to intellectualization of the economy.

SOME OF THE KEY TOPICS ARE:

- *State management of societal development and reform's construction*
- *Public management of social and business processes in the institutional environment of knowledge-based economy*
- *The partnership model of municipal and rural development management: technological vector*
- *Intelligent VS “green” economy : conflict of interests or the expansion of the boundaries of the civilizational possibilities*
- *Intellectual property rights as a geopolitical tool: implications for the global economy*
- *International projects of public-private partnerships in the field of social and environmental innovation*

TO PARTICIPATE YOU MUST

send an email to the committee **not later than June 19, 2017** with the following attachments:
